### Walks

Private or group walks for dogs who live in the same area (if dogs are friendly and you're happy for this to take place)  
Also as part of the walk service I will be towelling down your dog if required.

### Mini Home Visits (MHV)

Which will include any or all other the following;

- ↳ Breakfast / Dinner / Treat
- ↳ Water Top Up
- ↳ Toilet
- ↳ Medicine if quick and easy to administer (I'm not veterinary trained. So if it's medicine I'm not comfortable giving I will be declining to do so).

### Combo

Walk & Mini Home Visit

If there is any service you would require that I haven't mentioned, please let me know and we can discuss this, and hopefully arrange something that suits.

I'm not always available weekends and bank holidays. But feel free to check the date with me, and if I'm available I'll be more than happy to walk your gorgeous pup.
